Where is Raymond Group on the journey to sustainable cotton?

Company performance analysis

OVERALL

The Raymond Group scores 3.8 out of 100 points in this ranking – showing no significant performance, and has therefore not yet started the journey towards cotton sustainability.

POLICY

The Raymond Group addresses sustainable cotton, as well as issues related to water reduction and pesticide use through its membership of the Better Cotton Initiative and GOTS for its Raymond UCO Denim Private Limited brand. However, the Raymond Group does not have specific policies to address harmful impacts such as water use, pesticide use, biodiversity in cotton cultivation and labour and human rights violations.

UPTAKE

The Raymond Group does not publish any information about volumes of sustainable cotton sourced, either in percentage or absolute terms.

TRACEABILITY

The Raymond Group does not publish information on the absolute volume and origin of the cotton used in its products. The company does not provide information on its suppliers (finished product, fabric manufacturers, yarn spinners).
